

BANK EXECUTIVE REIMBURSEMENT & CHARTER FLIGHT POLICY

Section 1: Air Travel Guidelines

All executive travel on charter flights exceeding \$10,000 must be pre-approved by the Board of Directors and submitted directly to the Senior Finance Team for audit. Non-compliance will result in immediate internal audit review and potential reversal of funds.

Section 2: IT Hardware & Branch Budgeting

Standard branch operation budget for IT hardware upgrades is capped at \$5,000 per quarter. All expenses exceeding this threshold require regional manager approval and Finance Department sign-off.

Section 3: Audit Compliance

Financial audits are conducted semi-annually. All receipts and transaction logs must be retained in the digital registry for a minimum of 7 years.
